Where is Margaritaville?

"Somewhere between the Port of Indecision and Southeast of Disorder, but no parallels of latitude or longitude mark the spot on a map. You don't have to be a navigator to get there. All you have to do is follow your nose. Food is to Margaritaville like bait is to fishing, or songs are to sailors. How do you get to Margaritaville? Start here."

Function Space

Function space is assigned by the hotel according to the guarantee guest attendance. The hotel reserves the right to re-assign rooms based on the event's guaranteed attendance. Room rental fees are applicable if attendance and respective revenues are below the hotel's established minimums. Additional fees will apply for events with special set up requirements.

Menu Selection

In addition to Margaritaville Hollywood Beach Resort menu presentations, customized menus are also available upon request. To ensure the availability of menu items, all selections should be submitted to the Catering Office two weeks prior to your scheduled event. The prices are subject to change without notice.

Guarantees & Pre-Payment

All catered functions require pre-payment in full. Final attendance is to be specified and communicated to the hotel by 12:00 noon, 3 business days prior to the function date. Such will be considered a binding guarantee and is not subject to reduction. If an attendance guarantee is not forwarded to the hotel by the date it is due, the attendance number stated on the original contract will become the guarantee. All menu changes submitted within 5 business days of the event will be subject to service fees.

Minimums & Guarantee Change Fees

Menus are designed with specific minimum guest attendance requirements. A surcharge may apply should attendance fail to meet the minimum designated guidelines as stated. As well, should a guarantee increase by more than 10% within 3 business days of the function, a service charge may apply based on the guarantee.

Service Charge, Taxes, and Fees

Catering menu selections are subject to our customary Banquet Service Charge. Food, Beverage & service charges are subject to all applicable State of Florida, local taxes, and fees. In the event that an organization is tax exempt, state law requires a copy of said organizations' Federal Tax-exempt certificate to be on file with the hotel prior to the event.

Food & Beverage

No food and beverage of any kind will be permitted to be brought into the Resort by the patron or any of the patron's guests or invitees unless approved in advance of the event date. If alcoholic beverages are to be served on the Resort premises (or elsewhere under the resort's alcoholic beverage license) the Resort will require that beverages be dispensed only by the Resort Servers and Bartenders. Any alcohol must be consumed on property and therefore cannot be removed from the Resort. The Resort's alcoholic beverage license requires the resort to (1) request proper identification (photo ID) of any person of questionable age and refuse alcoholic beverage service if the person is either underage or proper identification cannot be produced and (2) refuse alcoholic beverage service to any person who, in the resort's judgment, appears intoxicated.

Catering clients are responsible for all damages which occur on the premises during the period of time the function's guests, employees, vendors, independent contractors, or other agents are on site.
