

THINGS ARE COOKING IN  
FLORIDA'S HOLLYWOOD

In addition to the beach and downtown, the Intracoastal Waterway is another local treasure. Some restaurants poised on its edge offer dockside access for diners who prefer to roll into town by boat or Water Taxi. Among them is 5 O'clock Somewhere Bar & Grill, serving seafood, salads and burgers in a friendly setting with live music and a fire pit. It's part of Margaritaville Hollywood Beach Resort across the street, where seven other restaurants include upscale dining at JWB Prime Steak and Seafood.
